

Women Entrepreneurship Development Program

Women Entrepreneurship Development program (WEDP) aims to build the capacity of Women-Owned Businesses (WOBs) across India.

This program uses a combination of capacity building workshops and hand-holding/mentoring support to strengthen both the entrepreneurs and their enterprises and connect them to institutions and the marketplace.

WEDP provides an opportunity for participants to meet successful entrepreneurs to share, learn and network.

Selection Process:

- Review of preliminary information submitted
- Intensive screening through due diligence
- Short-listing applications and presenting to the jury panel
- 40 best applicants to be picked for classroom session and 60 applicants for the virtual session by the jury for the WEDP 3.0 program

Timelines :

- **Last date of submission of application- 04th November 2018**
